1. How are we foreigners in our society?
2. Are you living like a citizen of God's Kingdom, can people see a difference in you?
3. What is our enemy?
4. Where have you seen God's commands given priority over man's law? What about Man's laws over God's commands?
5. How do we submit to God instead of our sinful desires?
6. Why should I fight sin, and why should I live under submission to God?
7. How can we exercise discernment in our relationship to human government?
