GIVING MATCH FOR FRIENDS OF CHRIST IN HAITI

Today is the first day to give a special offering to Mioche Rock and Friends of Christ medical clinic in Haiti. We have extended the offering to also include January 22nd. The first phase of the medical clinic was completed over the summer as shown in the video during service today. Maple Avenue's special offering will go towards the second phase which includes the roof, stucco on the walls, floor, plumbing, electricity, and a solar power system to run the facility. The third phase will include medical equipment. The medical clinic will benefit the village of Bouyaha and six other surrounding villages, providing medical care for up to 30,000 people who currently do not have access to care. Thank you again for your partnership with Mioche and Friends of Christ.
