1. Have you ever re-gifted something that might have been a little obvious?
2. How can having Jesus in your heart restore joy?
3. How can you explain to someone else the depth of God's love?
4. To whom in your life can you reveal the greatest gift ever, Jesus?
5. Do you live your life as if Jesus is the greatest gift ever or does your life show a cheapened version of the Gospel?
6. If you have not put your faith in Jesus, what is preventing you from doing that and being adopted into the family of God?
